Hi Grace,

Thanks for getting space with YML, this is really great!!

However as per our previous instructions, space should not be released to shipper without our green light since we must wait for Cnee approval for FCA charges.

Please do not release space to shipper yet, keep you posted.

Thanks!

Dear Fernanda,

We received booking from shipper as attachment. This cargo is ready. But extra loader of YML is full enough and they stopped releasing space. We found another option with CMA as below.

On the other hand, according to shipper, this is FCA term. Please also find our FCA charge as below and check with cnee.

Waiting for your further shipping instruction. Thanks.
