Notwithstanding any provision to the contrary, the Merchant agrees the Goods are considered formal delivery after the effective discharge at a port in Brazil, to any port authority/terminal at such port and all liability of the Carrier whatsoever in connection with the goods (including without limitation for misdelivery) shall cease at that time. The Carrier shall not be responsible for delivery of cargo without presentation of the Original Bill of Lading as per Brazilian Customs Regulations.

Shipper assumes before the shipowner the contractual and legal duty to export/ship their cargo to a Consignee who has real interest and conditions in acquiring/receiving the imported cargo, promoting its effective removal at the destination, with the fulfillment of all obligations inherent to this act. If the cargo is abandoned at its destination or if it is not removed by the Consignee for any reason, the Shipper will be jointly and severally liable, together with the Consignee, for all amounts, cost, expense, damage or loss that carrier may suffer as a result of this situation.
