VERY IMPORTANT: Container demurrage and detention tariffs and conditions applicable for the port of discharge, including the free time, can be obtained with local agents and are available at the carriers website, at:
<https://www.sealandmaersk.com/local-information/brazil/export>. Same demurrage and detention conditions are registered in the Documents Registry Notary Office in the city of Santos, under number 732.744 and are regarded a legal part of this Bill of Lading, remaining valid until new conditions/tariffs to be registered in the respective Document Registry Notary Office, which will prevail.

VERY IMPORTANT: Container demurrage and detention tariffs and conditions applicable for the port of discharge, including the free time, can be obtained with local agents and are available at the carriers website, at:
<https://www.sealandmaersk.com/local-information/brazil/export>. Same demurrage and detention conditions are registered in the Documents Registry Notary Office in the city of Santos, under number 732.744 and are regarded a legal part of this Bill of Lading, remaining valid until new conditions/tariffs to be registered in the respective Document Registry Notary Office, which will prevail.
