**VERY IMPORTANT:** Container demurrage and detention tariffs and conditions applicable for the port of discharge, including the free time, can be obtained with local agents and are available at the carriers website, at:  
<https://www.sealandmaersk.com/local-information/brazil/export>. Same demurrage and detention conditions are registered in the Documents Registry Notary Office in the city of Santos, under number 732.744 and are regarded a legal part of this Bill of Lading, remaining valid until new conditions/tariffs to be registered in the respective Document Registry Notary Office, which will prevail.

Demurrage and Detention deals are based on the Price Calculation Date of your shipments.

Note that these demurrage and detention conditions shall not apply if the booking/shipment was placed under Maersk Spot (instant booking system) conditions which are available at the carriers website at <https://terms.sealandmaersk.com/americas/terms-spot-booking> and which shall supersede any separately agreed terms. In case of doubts, please check with the Shipper or local agents the modality of booking/shipment that was hired.

Notwithstanding any provision to the contrary, the Merchant agrees the Goods are considered formal delivery after the effective discharge at a port in Brazil, to any port authority/terminal at such port and all liability of the Carrier whatsoever in connection with the goods (including without limitation for misdelivery) shall cease at that time. The Carrier shall not be responsible for delivery of cargo without presentation of the Original Bill of Lading as per Brazilian Customs Regulations.

Shipper assumes before the shipowner the contractual and legal duty to export/ship their cargo to a Consignee who has real interest and conditions in acquiring/receiving the imported cargo, promoting its effective removal at the destination, with the fulfillment of all obligations inherent to this act. If the cargo is abandoned at its destination or if it is not removed by the Consignee for any reason, the Shipper will be jointly and severally liable, together with the Consignee, for all amounts, cost, expense, damage or loss that carrier may suffer as a result of this situation.
