VERY IMPORTANT: Container detention tariffs and conditions applicable for the port of loading, including the free time, can be obtained with local agents and are available at the carriers website, at:
<https://www.maersk.com/local-information/latin-america/brazil/export>. Same demurrage and detention conditions are registered in the Documents Registry Notary Office in the city of Santos, under number 732.745 and are regarded a legal part of this Bill of Lading, remaining valid until new conditions/tariffs to be registered in the respective Document Registry Notary Office, which will prevail.
