Please notice if the invoice(s) paid was(were) expressed in foreign currency (USD or EUR) and paid in Brazil national currency (BRL), it was applied the conversion based on conversion rate of exchange of the Central Bank System - SISBACEN, in force on the date of effective payment of the invoice(s). Due to system peculiarity please notice the total amount paid corresponding to respective invoices may include the amount described as "system computation" which merely matches the actual amount paid after above mentioned conversion to BRL based on conversion rate of exchange of the Central Bank System - SISBACEN.
