CONSIDERAÇÕES GERAIS

- 1) If the container exceeds the free storage days within the port, then the free time period will be forfeited, and the terminal will charge for the full days from entry into the port until loading onto the vessel.
 - 2) In case of customs/port inspection, extra charges at port will be apply.
 - 3) PICK-UP CONDITIONS AND EXTRA COSTS (if occur):
 - Free time waiting to load/unload: 3 hours total, then additional cost per hour/cntr.
 - Dead freight: 70% under total freight cost (Additional costs may apply in the event of a cancellation of pickup if the trucker is already en route or if the cargo is not ready for pickup).
 - Overnight stand of truck (daily cost): USD 310,00/Equip/Day).
 - Pick-up value considering load weight up to 25 tons. In case of weight greater than this, the pick-up cost must be consulted again.
 - Helper for loading and unloading: USD 50,00 each
 - Transport carried out during nighttime hours (from 8:00 p.m. to 6:00 a.m.): 50% surcharge on freight weight
 - Transport carried out on weekends (Saturday/Sunday) and public holidays: 100% surcharge on freight weight
 - 4) CUSTOMS CLEARANCE CONDITIONS:
 - this service covers only the issuance of export declaration in the Brazilian customs systems and follows up on customs clearance until the cargo is loaded.
 - the cost may vary if the shipper decides not to use our service and prefers to use their own broker. In this case, we need to verify their costs first.
 - issuance of commercial invoice, packing list and others legal documents must be the shipper's responsibility.
 - 5) ADDITIONAL COMMENTS:
 - Extra costs at port will be charged as per outlay.
 - In case of vessel delays its ETA at POL, carrier does not assume costs generate at port of loading, claiming "force majeure". If cntr is already deposited at the POL, storage costs may occur due to the delay and these must be assumed by the importer in accordance with the incoterm.
 - If the gate window at POL to the vessel indicated on the booking confirmation is not available/open for receiving containers until the pick-up date, extra costs may occur.
- General conditions:
**Validity: Freight rates are valid for shipments loaded until the date mentioned in the 'Validity' field above (BL ON BOARD DATE). Shipments after this date are subject to freight rate variations according to the carrier's policy.
**Transit time is estimated and subject to change.
**The route is determined by the carrier and is subject to change.
**This quotation and its conditions are valid for 7 consecutive days upon written confirmation from the customer. After this period, the offer expires.
**All quotations are subject to standard rates, fluctuating rates, and General Rate Increase (GRI).
** Subject to a cancellation fee/no-show fee if a transfer or cancellation of a booking that has already been confirmed is requested

** Esta cotação e suas condições são válidas por 5 dias corridos mediante confirmação por escrito do cliente. Após esse período a oferta perde sua validade.

** Frete válido para cargas embarcadas até a data mencionada no campo 'Validade' acima (BL ON BOARD DATE). Embarques após esta data estarão sujeitos a

variações de frete, conforme política do armador.

** Esta cotação está sujeita a disponibilidade de espaço e equipamentos conforme disponibilidade da cia marítima.

** Transit time é estimado e sujeito a alteração.

** Rota é definida pelo armador, está sujeito a alteração.

** Todas as cotações são sujeitas às taxas-padrão, flutuantes e sujeitas a General Rate Increase (GRI).

** Sujeito a custos adicionais em caso de BL Express Release / Telex Release / Seawaybill / Originals no destino (conforme o armador e apenas se solicitado)

** Todas as operações em moeda estrangeira estão sujeitas ao IOF de 3,5%, conforme Decreto nº 12.499/2025.

** Sujeito a custos em caso de solicitação de alteração, cancelamento, transferência e redução de container em reservas já confirmadas pelo armador.

** Embarques onde há contratação de inland as etapas de liberação/clearance no porto de descarga não estão inclusas (exceto em casos de incoterm DDP). A movimentação final dependerá de ações do importador/notify junto ao escritório local no destino, bem como prover documentação necessária para tal movimentação
