Hello Michelle,

This is just the handling cost. No need to share profit on prepaid shipments. On collect shipments we will need to add an additional fee to cover banking fees.

Yes we can sign the LOA/POA for the spot shipments. We can monitor them on a case by case basis.

Best regards,

Danny Hoyos

Hi Danny, good day!

Thank you for sharing your costs. Is this your profit, or should we also share the freight profit?

Regarding the LOA/POA of carriers in case of booking SPOT, would you accept to provide?

We don't need them right now since we have no shipment to share yet, but in case we close a shipment under spot rate, I need to know if Interglobal will be ok to provide the LOA/POA.
